WITNESSETH

WHEREAS, The Agencies desire to make a mutually agreeable arrangement with the County for the County’s Sheriff’s Office to provide certain dispatch services to the Agencies; and

WHEREAS, The County, by and through its Sheriff’s Office, wishes to perform dispatch services for the Agencies as set forth below.

NOW THEREFORE, IT IS COVENANTED AND AGREED as follows:

PURPOSE

The purpose of this agreement is to provide for the dissemination of information received by the Skamania County Sheriff’s Office Public Safety Access Point (as that term is hereinafter defined) to the Agencies related to emergency response by the Agencies.

1. Dispatch Services:

1.1. The County, by and through its Sheriff, agrees to provide certain Dispatch Services (hereinafter referred to as "Dispatch Services").

1.2. Dispatch Services shall mean: the receipt of information by the Sheriff’s Office Public Safety Access Point (hereinafter, “PSAP”, as defined by WAC 118-66-030(65)) and the transmission of that information to the Agencies by radio using a two-tone alert and two-way radio system selected by Agencies, accepted and accessible by the Sheriff’s Office, and also via computer-based software selected by the Agencies provided to the Sheriff’s Office at Agency expense, and capable of integration with existing call management software (hereafter, “Agency Page-out”). Agency expense for purposes of the computer-based software shall include the cost of the software package including ancillary integrations, installation, maintenance, and subscriptions.

1.3. Dispatch Services for purposes of this agreement shall include initiating Agency Page-outs, including both automatic and requested mutual aid Page-outs, resource tracking, and Computer Aided Dispatch (also known as “CAD”) system entry.
2. **Service Quality Assurance; Agency duty of cooperation**

2.1. Subject to the continued availability of independent third-party service review protocols applicable to medical calls (“Medical Quality Assurance Protocols”), the Sheriff’s Office and the Agencies shall participate in periodic Quality Assurance reviews of Dispatch Service provided in connection with Agency Page-outs for medical calls. The parties agree to act in good faith to establish a reasonable schedule for periodic reviews.

2.2. The County and the Agencies agree to informally and periodically review of fire calls by and through the Skamania Emergency Services Council or such other collaborative group as may be utilized by Participating Agencies as a forum for such reviews. In addition, subject to the availability of independent third party service review protocols applicable to fire calls, the Sheriff’s Office and the Agencies shall participate in Quality Assurance reviews of Dispatch Service provided in connection with Agency Page-outs for fire calls. The parties agree to act in good faith to establish a reasonable schedule for periodic reviews.

2.3. In order to assure the efficient and effective administration of Dispatch Services, the Participating Agencies agree to adhere to the Communications Policies and Protocols provided in Annex A attached hereto, as such policies may be amended or revised from time-to-time by and through the Skamania Emergency Services Council or such other collaborative group as may be utilized by Participating Agencies to establish common communications policies and protocols.

3. **Payment**

3.1. **Method for Calculating Agency Fees.**

3.1.1. As consideration for these services, the Agencies shall each pay the County a Dispatch Fee amount equal to the product of multiplying the Average Agency Call Volume Allocation Percentage (as that term is defined by §3.1.2 herein) by the Net Dispatch Cost. The Net Dispatch Cost is $56,965.

3.1.2. The Average Agency Call Volume Percentage will be determined as follows:

3.1.2.1. The Sheriff’s Office will provide an Agency Page-out Call Count to each Agency on a quarterly basis, on or before April 30, July 31, October 31 and January 31 with respect to each preceding calendar year quarter. The Agency Page-out count for Skamania County Fire District #1, Skamania County Fire District #2, Skamania County Fire District #3, Skamania County Fire District #4, Skamania County Fire District #5, Skamania County Fire District #6, North Bonneville Fire Department, Stevenson Fire Department, the Mill A Volunteers, (collectively the “Fire Departments”) shall not include Fire Department Page-outs initiated as mutual aid calls to assist Skamania County Medical Services.

3.1.2.2. The parties agree to resolve their respective call counts in good faith and agree upon their respective Agency Page-out Call Count for each quarter on or before May 31, August 31, November 30, and February 28 with respect to each preceding calendar year quarter. If the Sheriff’s Office is not notified via email or letter on or before the
Agreement for Dispatch Services

3.1.2.2. The dates specified in this §3.1.2.2, then the Agency Page-out Call Count is deemed accepted.

3.1.2.3. The Sheriff’s Office shall:

3.1.2.3.1. Tally the accepted total calendar year Agency Page-out Call Count for each respective agency and shall compute the annual Average Agency Page-out call count for each agency for the three years preceding the Billing Period (as that term is defined hereinafter).

3.1.2.3.2. Divide the Sum of the tallied Average Agency Page-out call counts for all Agencies by each Agency’s Average Agency Page-out call count to determine the Average Agency Call Volume Percentage for each Agency.

3.1.2.3.3. For the Billing Period commencing January 1, 2015, the accepted Average Agency Call Counts shall be those indicated on Schedule A attached hereto for each year indicated.

3.1.3. Invoice procedure. The Sheriff’s Office will transmit an Invoice to each Lead Agency on or before March 31 of each year. The Invoice will include: (a) a statement of the Lead Agency’s Dispatch Fee for the then current calendar year (the “Billing Period”); (b) a Schedule in substantially the same form as Schedule A attached hereto which demonstrates the calculation of the Agency Call Volume Allocation Percentage.

3.1.4. Payment Due Date. The Dispatch Fee is due and payable on or before June 1, except with respect to the Billing Period for the year commencing January 1, 2015 (the “Initial Year”). Payments for the Initial Year are due and payable on or before July 15, 2015.

3.1.5. Disputes. An Agency in receipt of an Invoice may make a request for additional information, if any, on or before April 30. If an information request is made then the Payment Due Date for that Agency is extended to July 1. At the election of the County, non-payment after the Payment Due Date may result in Termination of Dispatch Service to the non-paying agency in a manner consistent with the provisions of §3.4 (“Term & Termination”).

4. Net Dispatch Cost reduced by Emergency Communication Revenue

4.1.1. If the County legislative authority submits an authorizing proposition to the county voters and if the proposition is approved by a majority of persons voting, then shall fix and impose a sales and use tax in accordance with the terms of RCW §82.14.420 for the purposes designated in subsection (3) of said section, the revenue derived therefore shall be designated and reserved by the County solely to pay costs arising directly from operation of Dispatch Services, including and limited to the costs included on Schedule B and such schedule may be amended or revised from time-to-time.

4.1.2. Amounts not expended during the course of any fiscal year shall be carried over and reserved for use in the next subsequent fiscal year.

5. Term & Termination.
5.1.1. **Duration.** The duration of this agreement shall be for four (4) years beginning on January 1, 2015 and ending on December 31, 2018.

5.1.3. **Termination by County.** In addition, the County may terminate this Agreement in whole with respect to all Agencies or in part with respect to any non-paying Agency solely for non-payment with not less than 180 days notice (“Notice Period”) and adoption by the County Commission of an Order or Resolution approving termination of this Agreement. Any non-paying Agency may cure at any time during the Notice Period by payment of amounts due under §3, et. seq.

5.1.4. **Termination for non-payment.** With respect to any non-paying Agency, Dispatch Service shall terminate immediately upon adoption by the County Commission of an Order or Resolution approving termination of this Agreement with respect to the non-paying Agency.
