Suggestions for Improving Traffic and Pedestrian Safety in Stevenson
CURRENTLY UNDER CONSIDERATION
Updated 7-15-15

1. Limit out-of-state truck traffic.
   *Continue working with our State Legislators to address this issue.*

2. Increase speed limit enforcement.
   *Continue to work with the Skamania County Sheriff’s Office for increased speed limit enforcement in the downtown area. City Council now monitors the number of City calls responded to and traffic tickets issued by the Sheriff’s Office each month.*

3. Further investigate radar ticketing. Contact other cities to see if the program pays for itself.

4. Install a stoplight (or stop sign, if necessary) on 2nd Street at Russell Avenue.

5. Install pedestrian activated crossing lights on 2nd Street.

6. Install a sign on 2nd Street west of town that says “Alternate Route” or “Congestion Ahead, Alternate Route”.

7. Paint “25 mph” signs on the pavement on 1st Street. (WSDOT will not allow on 2nd Street).

8. Add hand-held pedestrian crossing flags at the two crosswalks at the west end of town.

9. Reconsider the one-way couplet next year.
