Reason for Change:

The scope of this change order is for the additional work added to Schedule A due to the existing 24" CMP pipe bottom has deteriorated beyond repair and cannot be used to convey storm drainage with the new storm water improvements.

Description:

Provide and install a new 24" N-12 ADS line. Remove the old 24" CMP pipe from service. This work includes the installation of 80 LF of 24" N-12 ADS pipe, a poured in place concrete collar at the interface of the existing concrete to N-12 pipe and the additional trench patch on Leavens Street. No testing is included is this price.

Add the Following New Items to Contract:

New Bid Item No. A 068 Pipe Installation 80 LF @ 139.28 LF ......................... $11,142.40
New Bid Item No. A 069 Sawcutting and Concrete Collar 1 Lump Sum @ 1,000.00 ........... $1,000.00

Total this Change Order ................................................................. $12,142.40

Crestline Construction  
3600 Crates Way Suite 100  
The Dalles, Oregon 97058

Crestline Construction wishes to submit the following Change Order Proposal for the change in scope of the contract work as described:

The scope of this change order is for the additional work added to Schedule A due to the existing 24” CMP pipe bottom has deteriorated beyond repair and cannot be used to convey storm drainage with the new storm water improvements. Therefore the engineer has requested a new 24” N-12 ADS line be installed and the old 24” CMP pipe be removed from service. This work includes the installation of 110 LF of 24” N-12 ADS pipe, a poured in place concrete collar at the interface of the existing concrete to N-12 pipe and the additional trench patch on Leavens Street. No testing is included in this price.

Total = $17,780.80
