Suggestions for Improving Traffic and Pedestrian Safety in Stevenson

CURRENTLY UNDER CONSIDERATION

Updated 10-13-15

1. Limit out-of-state truck traffic.
   *Continue working with our State Legislators to address this issue.*

2. Increase speed limit enforcement.
   *Continue to work with the Skamania County Sheriff’s Office for increased speed limit enforcement in the downtown area. City Council now monitors the number of City calls responded to and traffic tickets issued by the Sheriff’s Office each month.*

3. Further investigate radar ticketing. Contact other cities to see if the program pays for itself.
   *Added to City Administrator TODO list - target completion date December 1, 2015.*

4. Install a “Truck Route” sign on 2nd Street west of town (without pulling the stop sign on First Street).
   *WSDOT responded Yes, “as long as the sign meets MUTCD standards”.*
   *Added to Public Works TODO list - Target completion date December 1, 2015.*

5. Paint “25 mph” signs on the pavement on 1st Street. (WSDOT will not allow on 2nd Street).
   *Added to Public Works TODO list, target completion date May 1, 2016 or earlier.*

6. Install pedestrian activated in-ground flashing lights in the busiest 2nd Street crosswalks.
   *Update: Public Works Director Eric Hansen requests further Council discussion of this item.*

7. Add hand-held pedestrian crossing flags at the two crosswalks at the west end of town.
   *Added to Public Works TODO list - target completion date April 1, 2016.*

8. Reconsider the one-way couplet next year.
   *Reconsideration scheduled for March, 2016 as per Council’s request.*
