

**AMENDMENT TO PERSONAL SERVICES CONTRACT
FOR MUNICIPAL JUDGE**

Date: April 21, 2016

Parties: City of Stevenson, a Washington Municipal Corporation (“City”)
Bradley W. Andersen, Attorney at Law (“Andersen”)

Recitals:

- A. The parties entered into a Personal Services Contract dated January 1, 2014 (“PSC”) for Andersen to serve as the City’s Municipal Court Judge.
- B. The City has decided for financial reasons to contract with Skamania County District Court to provide municipal court services and will therefore have no further need for a municipal court judge.
- C. Andersen wishes to support the City’s objectives and has no objection to having this PSC terminated.
- D. The parties therefore agree to terminate the PSC prior to its December 31, 2017 termination date to allow the City to contract with Skamania County.

Agreement:

1. The PSC is hereby amended to modify the Termination Date from December 31, 2017 to the date City of Stevenson’s municipal court operations are transferred to Skamania County District Court (the “Termination Date”), which the parties anticipate will be on or about June 1, 2016.
2. Andersen shall be entitled to compensation per the PSC through the Termination Date. Any period of less than one month shall be prorated. Andersen also agrees to provide continuing services, if needed, to assist the City and the County with the transition. However, the City will agree to pay Andersen \$200 per hour for any services that he provides on behalf of the City after the Termination Date.
3. Except as so modified, the PSC is reaffirmed in its entirety.
4. The parties further agree that the City’s requirements to indemnify or hold Andersen harmless for his services as Municipal Judge through the Termination Date will survive the termination of this Agreement.
