

Suggestions for Improving Traffic and Pedestrian Safety in Stevenson

CURRENTLY UNDER CONSIDERATION

Updated 4-18-16

These two first items are shown for information only - No current action required.

1. Limit out-of-state truck traffic.
Continue to attempt to work with our State Legislators to address this issue.
2. Increase speed limit enforcement.
Continue to work with the Skamania County Sheriff's Office for increased speed limit enforcement in the downtown area. City Council now monitors the number of City calls responded to and traffic tickets issued by the Sherriff's Office each month.
3. Paint "25 mph" signs on the pavement on 1st Street. (WSDOT will not allow on 2nd Street).
Added to Public Works TODO list, target completion date May 1, 2016 or earlier.
4. Reconsider the one-way couplet, and/or removing the stop sign at First and Russell, next year.
Reconsideration scheduled for 2016 as per Council's request.
