

Joint City Council/Planning Commission

Thursday, December 1, 2016, 6:00 to 8:00pm

Residential Growth Goal-Setting Session

Agenda

6:00 – 6:15 Convene Meeting, Introductions, Expected Outcomes

City Council, Planning Commission, Staff, and Public introduce themselves and describe their expectations for the meeting

6:15 – 6:25 Introduce Break-Out Sessions

Staff describes 2 hands-on activities that will help identify friction points inhibiting residential growth and a range of solutions to facilitate growth

6:25 – 6:55 Break-Out Session #1

Group members participate in one of two facilitated discussions on the growth and development process. Volunteers will be needed to 1) take notes on the group's ideas and 2) report the final findings back to the whole group

6:55 – 7:15 Break-Out Session #2

Group members participate in the second facilitated discussion. Separate volunteers will be sought for note taking and verbal reporting

7:15 – 7:30 Verbal Summaries

Volunteers presents each group's discussion, the barriers encountered, solutions developed, and general "Aha" moments for each session

7:30 – 7:45 Group Discussion—Barriers & Solutions

Full group discussion to highlight biggest barriers and outline a range of possible solutions

7:45 – 8:00 Goal Setting Session

City Council, Planning Commission, Staff establish joint goals to be included in 2017 work plans
