

2017 Nuisance Complaint Log

7.b(5)

<u>Complaint Number</u>	<u>Date Received</u>	<i>(See complaint form for details)</i> <u>Summary of Complaint</u>	<u>Assigned To</u>	<u>Date Contacted Complainant</u>	<u>Follow-up Contact with Complainant</u>	<u>Brief Summary of Actions Taken</u>	<u>Current Status</u>
NUS2017-01	2/9/17	Stop sign removal has made a dangerous intersection, endangers her home, and removes parking which devalues her property as a potential business site. Requests hazard barriers protecting her property be reinstalled (barriers were removed in 1997 with the First Street Couplet construction).	Nick Hogan	3/7/17	N/A	Added copy of complaint to agenda package for City Council review at next Council meeting. Called Barbara to discuss her complaint; informed her I would share her stop sign removal concerns with City Council and that installation of concrete barriers along the sidewalk is not currently under consideration as a city improvement.	Closed
NUS2017-02	2/22/17	Real Estate Sign advertising Riverview Lots; 1) off premises and 2) impedes sight distance entering Hwy 14	Carla	2/23/17	2/27/17	Phone call & 2 followup emails RE: violation and requesting correction. Realtor's sign installer will move it on Wed 3/1/17. Sign removed as promised 3/1/17.	Closed
NUS2017-03	3/7/17	ERTS# 671057 received from the Department of Ecology alleges a previous critical area violation by removing trees and excavating within the Kanaka Creek 125 foot riparian buffer without permits in summer 2015.	Ben Shumaker				
NUS2017-04	3/13/17	Junk/Health Hazard
