RE: Port of Skamania County Contract Amendments
Meeting Date: December 21, 2017

Executive Summary:

The Port of Skamania has two interlocal agreements for tourism funding, one for Waterfront Wayfinding Signage and the other for the Leavens Point improvements.

The work for the Waterfront Wayfinding Signage contract will not be complete by the contract end date of December 31, 2017. The amendment to this contract is to extend the end date to December 31, 2018, the amount of the contract remains the same.

The current Leavens Point contract references using tourism funds, yet it leaves out the amount allocated for the project. From previous contracts for this project, the contracted amount is \$100,000. This amendment allocates the \$100,000 for the project construction.

Both amendments have been approved by the Tourism Advisory Committee.
