Resolution No. 2018 - 22

(A Resolution to approve a Boundary Line Adjustment with the City of Stevenson)

WHEREAS, RCW 36.34.130 states "The board of county commissioners may dispose of county property to another governmental agency and may acquire property for the county from another governmental agency by means of private negotiation upon such terms as may be agreed upon and for such consideration as may be deemed by the board of county commissioners to be adequate."; and

WHEREAS, the Board has determined that a strip of County land adjacent to the City of Stevenson’s Waste Treatment Facility has no value to the County. It is a 72’ wide strip of land and is isolated by a large rock ridge connecting it to the Hegewald Center area; and

WHEREAS, by moving the Facility expansion to the west, keeps the easterly access to the Fairgrounds open providing an easement to Skamania County which allows continued access; and

WHEREAS, the Board of County Commissioners agree that the access easement to the east has a greater value to the County than the narrow strip of land west of the City Facility.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS, that the Boundary Line Adjustment is approved; and authorize the Chairman to sign the Boundary Line Adjustment application.

RESOLUTION No. 2018 – 22 IS HEREBY PASSED THIS 17th day of April 2018.
