---

Mrs. Bailey,

This letter serves as a written follow up to the Notice of Violation that the City of Stevenson received on April 7, 2017. Enclosed you will find a compliance schedule that we have developed with the assistance of our consultants, Tetrtech. We feel this schedule is aggressive, yet achievable. The Stevenson City Council reviewed this schedule on March 16, 2017, and has directed staff to update them on the progress made at every City Council meeting.

Feel free to direct any questions to Eric Hansen, Public Works Director.

Frank Cox  
Mayor, City of Stevenson
