Hello,

There is an additional confirmed case in Skamania County. The patient was in ICU and is now out of ICU and their family is in quarantine. There are also 5 people in contact with the Skamania County Health Department who are self-monitoring as they do not meet the criteria for testing.

The City has worked with the EDC and Chamber of Commerce to hold a Business Resource Zoom Meeting on Wednesday, April 8th at 1:00 pm. Participants can hear updates on programs offered by the Chamber and EDC and learn more details about the Paycheck Protection Program and other funding resources available under the CARES Act with Gregory Price of the Small Business Development Center. There will be time for Q&A as well.
