Stevenson, Washington 98648

June 30th, 2020

Good Afternoon,

As Leana is away on vacation and Ben is on paternity leave, I have filled in this week to assist with the intergovernmental communication.

Agency meetings are continuing to meet every two weeks unless otherwise needed.

There are 3 new active cases of COVID-19 in Skamania county, for a total of 6 since testing began in March.

County Commissioners say the Courthouse is on track to re-open all of its physical offices to the general public by the week of July 13-17.

The Chamber is continuing to provide local business with PPE as needed.

Thank You and Stay Safe,

Anders Sorestad

Deputy Clerk/Treasurer II
