DATE: Sept 11th – Sept 19th, 2024
SUBJECT: Combined Consultant Q&A—Utility Conflict Canopy Preservation Plan

Introduction

This memo answers all questions received on the RFQ issued for the Utility Conflict Canopy Preservation Plan. The RFQ was published on the web on September 9th, 2024 and in print on September 11th, 2024. Questions on the RFQ were expected in writing. Questions were accepted through September 19th at 5:00pm. For the sole question asked, a clarification was provided immediately and the website was updated to provide the same clarification.

As published in the RFQ, these answers were posted to the above City website by 4:00pm on September 20th.

Questions and Answers

The following questions were received. The answer is provided here.

Sept 13th Q: Good morning! Could you send me the RFQ for the Lasher Street improvement project? Thank you
A: *You bet, Andrea! It is attached here. Have a great day!*

**I do need to note: the name of the undergrounding project will be changing. You may see a different name when communicating with us shortly*

[The RFQ document was based on a previously issued RFQ. All text of the RFQ had been updated, however the title block still listed the previous project's name. Upon realization of this error, the RFQ document was updated, then sent to all recipients of direct emails and posted to the City and OMWBE websites].

Remaining Process

The City will accept Statements of Qualifications until September 26th at 4:00pm. Evaluation will occur between September 26th and October 5th, when selection of a firm is expected. See solicitation document for full schedule.
